Dear Senator Dodd:

Thank you for your letter of July 16 on behalf of your constituent, [] concerning the cases of Pablo Bohoslavsky and Ruben Sergio Pra.

According to our records, Mr. Pra was transferred on May 22 to Caseros Prison after being held at Rawson since August 1980. He was allowed a one and one-half hour visit at his mother's residence and a call to his wife in Belgium. Unfortunately, there has been no further developments in the case of Pablo Bohoslavsky.

We will ask our Embassy in Buenos Aires to continue their efforts on behalf of Mr. Pra and Mr. Bohoslavsky and to forward information as it becomes available.

With cordial regards,

Sincerely,

Powell A. Moore
Assistant Secretary for
Congressional Relations
